Certifications

Certified Multi Skill Technician - (LG Hope Technical Skill Academy)

Certified Electrical Design Engineer – (Dhanush MEP Center)

Projects

Hospital and Generic Building Electrical Design

Calculated total connected load

Performed transformer and DC generator calculations

Determined cable size and circuit breaker specifications
Calculated tripping time and voltage drop
Calculated Short Circuit
Calculated Eearth Pit size
Calculated Bus Bar size
Designed cable tray systems
Calculated Lighting Rod required
Piezo-Based Energy Generation Platform
Developed a platform to generate energy using piezoelectric sensors
Converted mechanical energy into electrical energy
Promoted sustainable and environmentally friendly power generation

Technical Skills

Multi Skill Technician - Consumer Durable, 3 Months (From LG Hope Technical Skill Academy, Okhla - Phase - III, New Delhi-110020)
Electrical Design Engineer – Consumer Durable, 45 Days (From Dhanush MEP Center)

Computer Skills

MS Excel
MS Office
AutoCAD
C Sharp
DIALux

Professional Skills

Problem-solving
Team collaboration
Effective communication
Time management

Interests and Hobbies

Coding and developing software solutions
Reading technical blogs and articles
Playing chess
Traveling and exploring new places

Personal Information

Father's Name: Mukesh Kumar
Date of Birth: 28/08/1998
Gender: Male
Nationality: Indian
Marital Status: Single
Language Skills: English, Hindi

Permanent Address:
C-584 Dakshin Puri, Dr Ambedkar Nagar, Sector 5
New Delhi, 110062

Thank you for reviewing my resume. I look forward to the opportunity to discuss my qualifications in more detail.
